We apologize for any inconvenience to anyone, but we ask your understanding and compliance temporarily. The Town Hall meeting room will be open for a total of 50 people, including any officials or staff present. The U.S. Centers for Disease Control and Prevention (CDC) now recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), especially in areas of significant community-based transmission. CDC also advises the use of simple cloth face coverings to slow the spread of the virus and help people who may have the virus and do not know it from transmitting it to others
