LeShae Hudson

Karissa Fleming

Latreavette McCline

Patty Hall

Barbara Brandt

Elizabeth Protich

Kari Branham

Chris Sherrod

Lorraine Gurrero

Melvin Leach

Nicole Lurry

Leshae & Angel have been connecting with different municipalities that have received funding from the Reimagine Grant. Areas ranging from Waukegan, Zion, North Chicago, Soft Village, & Chicago Heights.

Leshae has been meeting with other Violence Prevention Council Coordinators doing this work.

Angel has been meeting and partnering with other township supervisors to partner, connect, & share resources.

Leshae & Chris visited our Violence Prevention counterparts in Kankakee & shared what we are doing & what our efforts are looking like. They toured their facility & were able to connect with the team working in Kankakee. They really enjoyed doing so!

Our township supervisor was able to share grant resources. As well as share what our efforts are looking like to provide transportation assistance to our participants.

They also met with people that do opioid recovery work in Kankakee as well. We meet people that want to be a part of what we have going on & our services but can't be due to not having transportation.

We are looking to partner with Agape. They are doing a lot of great reentry work within the Joliet area.

Hope Center of Joliet is a nontraditional school that teaches kids equestrian skills. They want to do all sorts of things with their school. They just need to partner with the right people. John Lucas helps individuals looking to go to college to enroll, helps with essays, enrolling with financial aid, also does a continuum of care to ensure that they're taken care of.

Nate Atkinson works at Joliet West doing ROTC & is the track coach. We would like to partner with him as well.

Leshae continues to volunteer at Second Baptist Church & The Salvation Army to ensure that we have food in our pantries.

We will have a micro pantry & peace pole being installed at our Peace Over Violence office.

Public Focused Therapeutic Serves are now in Lincoln High Schools, smaller High Schools. Karissa & Latreavette. Serving ages 16-24.
